

Los Elegidos Ministries: Los Elegidos Bible Club - Los Elegidos Radio - H.E.L.P. - Monday Sept 2 2024

**Feliz Labor Day!** We want to thank all of our sponsors, donors, who previously gave through Commission to Every Nation a huge “High Five” for all your patience as we navigate through the process of setting up our new bank account for our 501(c)3 on our website - we were told last week that we should be up and running by the end of the week, however, we received a call from our good friend and branch manager Roberto just Friday that there were two more forms to be signed, and that would seal the deal. With our day of rest today from all our labors for the Lord (**Eph2:10**), we are praying that tomorrow we will be confirmed and can get up and running as quickly as possible so we can finally receive your blessed support (**Matt19:21**). Thank you once again for your patience!

**YOU CAN STILL GIVE** to the ministry (not tax-deductible) simply by clicking the link below (PayPal), <https://www.paypal.com/paypalme/Requejo777>

We also still receive funds through **Venmo & Zelle** - our account# 805-815-6511. We will notify our beloved donors know the minute you can go online to give, set up monthly recurring donations, and so on. Thank you for your patience.

**Working for the Lord** - That’s my wife Maribel (right) prepping for a bible study - she had invited the girls for an overnight (“Pijamada”) at our new ministry sight (still a work in progress) last weekend and it was a huge success - they ate lots of good food (I handled the cooking, slept in a van down by the river), had lots of fun, and more importantly were in the **Word** (Bread of Life) the entire night until the girls went to sleep. We then took them all to breakfast the next morning, only made possible by your generous giving back home. Thanks for blessing our girls!

**Two weeks** ago we took some kids from our elementary group to the beach near our home, some amazing **Bread of Life** cooked and served up by our kids leader **Sayra** (16), and some amazing street tacos just a few blocks from our home - the best part of the afternoon, Sayra teaching all the kids how to be grateful and give thanks for ALL that the Lord has done for us - HE saved us, and at the very minimum, we should live and love to serve Him, His will be done in our lives. PLEASE continue to pray for all the kids - the majority face battles at home which come directly from the enemy - God’s covering over our kids . . .

**Katy (13)** - Not sure what our Katy (photo-right) has been up to at home, but just last week her brothers (Elvis & Jovany in photo) told me she had begun to hear voices at night in her room, whispering some evil nonsense into her ears, hence she can’t sleep and is afraid. **PLEASE** pray for Katy - we already gave the guys a solution (Jesus in the House!), to pray and take authority over their home in the Name of Jesus, to please take that cell phone away from her, and ask the Lord to send His warring angels to protect them (**Pslms34:7,8**). That photo was taken over a week ago, the last time Katy came to the ministry - we take these confessions seriously, and we will be paying her a visit tomorrow - God’s will be done for Katy, His protection over their home.

**Bowling for Dollars** - If my memory serves me right (fading fast), I believe there was a 70’s show by that very name, hosted by none other then Chick Hearn, voice of the Lakers. Last week we took a bunch of kids to the ONLY bowling alley in Ensenada, a long ways from our hood, but the kids had such a great time (for most, their first time) - a welcomed opportunity to get out of “El Zorro” and experience what most kids from our area don’t even know exists. Once again Sayra brought forth the Word - her topic, how to draw closer to the Lord. The kids already know how, they just need a lot of encouragement and reinforcement that their IS a better Way, and God in His infinite wisdom truly wants to bless them for their obedience.

To ALL our donors who make this possible for our kids every week (our outings), thank you for being obedient to the Lord's calling on blessing the poor - if you could only have seen the smiles on their faces when they finally realized where they were going that day, priceless! God is good, all the time!

**YIKES!** Yeah, I did that - didn't see the hole **Jovany (17)** & **Elvis (16)** had dug at the entrance to their home a couple of weeks ago . . .

Me, "Why did you guys put that hole there!?"

Jovany, "We thought we were going to use it."

Me, "Use it for what!?"

Jovany, "We're not sure yet." (Lol!)

They were kind enough to get their portable jack out, lift the car, position a rock in place so the van didn't lunge forward, and get us out of there in a matter of minutes. Those two guys are actually really good mechanics, usually bring straight A's home each semester, and are really worried about their little sister Katy - please continue to pray they be the men of God the Lord is calling them to be. Over the last three years we have seen them drawing closer to God - His will be done.

**M.C.C.A. (Mexican Christian Children's Aid)** - These guys (photo-below) have been coming down to Ensenada to serve the poor about the same time I probably made my first trip to Mexico back in the 60's! They bring tons of food for over 15-20 different ministries in the area, and we in turn distribute that food to

families, our kids, people in need - they arrive usually the first weekend of the month and always turn up with a smile and do a LOT of good in the hood . . . please continue to pray for this marvelous ministry, and if led by the Lord to assist them financially, please click their link. In recent years they have had to "cut back" on the amount of food they bring - they are always looking for more support . . . they truly are a blessing to all of Ensenada!

**Sterling & Ruby** - My granddaughters love to play flag football, and they

are very good at it - last season was the first for their high school, and they are both starters and very fast when it comes to running the ball downfield to score. Their school, Dos Pueblos, I believe is ranked in the top Ten for schools in Southern California - please pray that they have a successful season this year, and my wife and I get the chance to make the long trip up to Santa Barbara to catch one of their games - we love cheering for our granddaughters - go Chargers!

**Mickey's Place** - In early August my wife and I arrived exhausted to our hotel room in Anaheim after a 12 hour drive to the Magical Kingdom, but the next day we had the blessing to catch up with my daughter and her family visiting from New York, had a lot of fun, and after my wife caught her second-wind we went back to the park late night and had some more fun!

To those who blessed us with the funds to make the trip, thank you so much! It was so neat seeing all my grandkids from the east coast, and the highlight of the day had to be that crazy Star Wars ride (photo-right) - our dream is to one day be able to take kids from "El Zorrillo" all the way up to Disneyland and bless them too! God is able!

**Maritza (8) & Dana (10)** - Those two on my right and left had a ton of fun bowling last week, but they had even more fun just being treated like daughters of the King - my wife really takes the time to treat each of our kids in a very special way, with the love of Christ. Me on the other hand make sure they get treated like the princesses of the King - a kind word and encouragement goes such a long way for our kids - we KNOW how they are being treated (most of them ignored) in their homes, so we make sure we pray with them, speak blessings over them, and with all the love and generosity that comes from our beloved back home, we get to raise them as our own, in the Ways of the Lord, so when they grow older they will not depart from God's path - to Him be the glory.

**IMMEDIATE NEEDS:** Please prayerfully consider helping us with some of our needs - the Lord absolutely loves the cheerful giver . . .

**Our Van** - desperately needs a brake job (\$150-200 dollars)

**Our Ministry** - we need to refurbish our pool table (\$150) since the move, our foosball tables (\$150-200 in parts), and further down the road we would love to buy a larger water tank with pump so we can have "real" running water in the house - the shower ministry.

**Our Rent** - with the "passage of time" getting our 501(c)3 set up, bank in place, website portal hooked up, we could really use some help paying our ministry rent (\$250) due the 5th. Please let us know if you can help in this respect.

**MOST OF ALL** - please pray that the Lord would grant us His favor to minister to all the kids in proximity of our new site, conveniently located where EVERYBODY comes to buy corn tortillas, all day long . . . the tortillas will bring in the kids, so we can go fishing for souls - God is able!

**All of our love,**

Walt y Maribel y Los Elegidos Fishermen, Bible Club, Radio Club, Outreach Team, soon to be Shower Ministry . . .

Photos, left to right and bottom... 1) Dana2 & Kimberly chilling during our bowling outing (2) Sayra & Mariana (not shown) helping my wife cook at home during a special night of bible study (3) Dana1, tired after a night of prayer, using Sammy as a pillow (4) Samson aka "Sammy Sosa", always lends a hand when he "knows" someone is feeling blue (5) My wife & kids love board games, and with the generosity of our beloved back home purchased a bunch (Hangman, Monopoly, Uno, Kerplunk, and a couple of others) last week so the kids have activities after bible or prayer group, with always a bunch of food provided by you! (6) Our most recent radio show which aired live, hosted by our leaders **Chavo & Luis** (7) Back to school for all of our jr. high kids, 18 in all - we have never had this many kids at the jr. high at the same time - please pray for ALL, **Max, Angel, Elias1, Elias2, Camila, Samantha, Lupita, Quetzaly, Jimena, Nancy, Cintia, Xochi, Kimberly, Katy, Oyuki, Mariana, Oliver, Raul**, that God ordain their steps and none would step off the path of the Lord - His perfect will be done in their lives . . .
